

'Managing Data Quality for Geoscientific Integrity'

Proposed Programme for SABLE® User Conference 2011_{v1}

16 to 18 March, Aloe Ridge, Nooitgedacht, Johannesburg

Wednesday 16 March 2011

DAY 1 - Session 1: Sample Tracking 'TrackSAMP'

| <u>Time</u> | <u>Topic</u> | <u>Speaker</u> | <u>Affiliation</u> |
|--------------|------------------------|----------------------------------|---------------------|
| 08h30 | | Registration & Coffee | |
| 09h00 | Welcome & Introduction | | SABLE Data Works |
| 09h15 | Problem Definition | | SABLE Data Works |
| 09h30 | Technical Presentation | | SABLE Data Works |
| 09h45 | Client Case Study | | Nkomati Laboratory |
| 10h00 | Client Case Study | | Nkomati Evaluation |
| 10h15 | Client Case Study | | Anglo American Plat |
| 10h30 | User Feedback | Open discussion | 'the floor' |

10h45

Tea break

Day 1 - Session 2: ETL – External Interfacing to / from SDWh 'Talend'

| | | | |
|-------|------------------------|-----------------|------------------|
| 11h30 | Problem Definition | | SABLE Data Works |
| 11h45 | Technical Presentation | | SABLE Data Works |
| 12h00 | Client Case Study | | Impala Platinum |
| 12h15 | Client Case Study | | |
| 12h30 | User Feedback | Open discussion | 'the floor' |

13h00

Lunch break

Day 1 - Session 3: ETL – Internal Interfacing within SDWh

| | | | |
|-------|------------------------|---------------------|------------------|
| 14h00 | Problem Definition | | SABLE Data Works |
| 14h15 | Technical Presentation | | SABLE Data Works |
| 14h30 | Client Case Study | | Hana Mining |
| 14h45 | | Coffee break | |
| 15h15 | Client Case Study | | Nkomati MRM |
| 15h30 | User Feedback | Open discussion | 'the floor' |
| 16h00 | SABLE® transformation | | SABLE Data Works |

16h30

Day 1 - Session 4: User Networking

| | | | |
|-------|------------------------------|------------------------|--|
| 17h00 | River Walk | Stretch your legs ! | |
| 19h00 | Dining with the Stars | Telescope & Astronomer | |

Thursday 17 March 2011

DAY 2 - Session 1: Quality Assurance and Quality Control 'SAT/QC'

| <u>Time</u> | <u>Topic</u> | <u>Speaker</u> | <u>Affiliation</u> |
|--------------|------------------------|----------------------------------|--------------------|
| 08h30 | | Registration & Coffee | |
| 09h00 | Welcome & Introduction | | SABLE Data Works |
| 09h15 | Problem Definition | | SABLE Data Works |
| 09h30 | Technical Presentation | | SABLE Data Works |
| 09h50 | Client Case Study | | Boynton Plat PPM |
| 10h10 | Client Case Study | | ExplorMine |
| 10h30 | User Feedback | Open discussion | 'the floor' |

10h45

Tea break

Day 2 - Session 2: Promote Ownership, Accountability & Data Governance 'WorkQM'

| | | | |
|-------|------------------------|-----------------|---------------------|
| 11h30 | Problem Definition | | SABLE Data Works |
| 11h45 | Technical Presentation | | SABLE Data Works |
| 12h00 | Client Case Study | | Boynton Platinum HO |
| 12h15 | Client Case Study | | Lonmin Platinum |
| 12h30 | User Feedback | Open discussion | 'the floor' |

13h00

Lunch break

Day 2 - Session 3: Grade Control and Mineral Resource Management

| | | | |
|-------|------------------------|-----------------|---------------------|
| 14h00 | Problem Definition | | SABLE Data Works |
| 14h15 | Technical Presentation | | SABLE Data Works |
| 14h30 | Client Case Study | | Exxaro, Grootegeluk |
| 15h00 | Coffee break | | |
| 15h30 | Client Case Study | | Exxaro, Tshikondeni |
| 16h00 | User Feedback | Open discussion | 'the floor' |

16h30

Day 2 - Session 4: User Networking

| | | | |
|-------|------------------------|---------------------------|---------------------|
| 17h30 | Icebreaker | Pontoon on the dam | Delegates & Friends |
| 18h30 | Mongolian Braai | On the deck | Delegates & Friends |

Friday 18 March 2011

DAY 3 - Session 1: New Modules

| <u>Time</u> | <u>Topic</u> | <u>Speaker</u> | <u>Affiliation</u> |
|--------------|-------------------------|----------------------------------|----------------------|
| 08h30 | | Registration & Coffee | |
| 09h00 | Welcome & Introduction | | SABLE Data Works |
| | CoordGEN Module | | |
| 09h15 | Problem & Tech. Present | | SABLE Data Works |
| 09h30 | Client Case Study | | Lonmin Marikana |
| | FENCE Module | | Boynton Plat PPM |
| 09h45 | Problem & Tech. Present | | SABLE Data Works |
| 10h00 | Client Case Study | | Exxarro, Leeuwpn |
| 10h20 | Client Case Study | | Harmony, Target |
| 10h35 | User Feedback | Open discussion | 'the floor' |
| 10h45 | Where is my borehole ? | | Anglo American Plat. |

11h00

Tea break

Day 3 - Session 2: Next Major Version 'SABLE[®] Mining Suite 1

| | | | |
|-------|---------------------------|-----------------|------------------|
| 11h30 | Offline Capture | | SABLE Data Works |
| 11h45 | Face lifts for interfaces | | SABLE Data Works |
| 12h00 | Query Requirements | | SABLE Data Works |
| 12h15 | Reporting Requirements | | SABLE Data Works |
| 12h30 | App. Interdependance | | SABLE Data Works |
| 12h45 | User Feedback | Open discussion | 'the floor' |

13h00

Lunch break

Day 3 - Session 3: Hands on Support by Appointment

| | | | |
|-------|---------------------------------|---|------------------|
| 14h00 | Support & Queries | Support staff are on hand | SABLE Data Works |
| 15h00 | <i>Leave before the traffic</i> | <i>... and travel home safely ... !</i> | |
